Our Monthly Calendar of Activities & Events

Activities Hotline (812) 330-4375, extension 155#

September, 2006

~ by Mark Kraner

Meadowood is known for its interest in the performing arts, and many people are attracted to us because of that interest. Throughout the year, our residents attend countless events at the Musical Arts Center, IU Auditorium, Brown County Playhouse, Shawnee Theatre, Buskirk-Chumley, Wells-Metz and Ruth Auer Hall. From local talent to Broadway, Meadowood residents are busy supporting various forms of the arts. Some of these are IU Student and Faculty orchestras, IU opera, Bloomington Pops, Camerata Orchestra, Indianapolis Symphony, and our very own Meadowood Singers, Men & Women's Choral, Sing-a-longs, and Follies.

Deciding what musical events to attend at IU is a challenge to the activities department. If there is a performance not selected by the Activities Office, residents may ask for transportation. If five or more have signed up in the activities book, we will provide transportation. Due to the large number of musical events, Jan Dvorak suggests the performances we as a community will attend. Kathy Weigle, Activities Coordinator, said, "This method enables us to provide a variety and quality of music selections for our residents."

Meadowood offers over 260 activities each month, with at least 30% related to the performing arts. The IU Jacobs School of Music offers an extraordinary range of options, appealing to all tastes – from jazz, pop, Big Band, classical, opera and chamber music. The Terrace Room at Meadowood also serves as a venue for numerous recitals of visiting performers and musicians.

The Resident Council appoints the Music Committee, which is responsible for all in-house music programs. Recitals are arranged for Tuesday evenings in the Terrace Room, under the direction of

We don't know who had more fun - the performers or the audience!

Eleanor Byrnes and Vicky Felton, Co-chairs. Additional committee members this year include Olimpia Barbera, Marvin Carmack, Ed Cooper, Henry Gray, Jack Jones, Ted Jones, Ozzie Ragatz, and David Rogers. Each member has a role within the committee to help make each performance a reality. Vicky is responsible for recruiting the performer, while Eleanor schedules a resident host. Ed Cooper and Henry Gray are responsible for publicity.

“Artists are recruited by a letter of request to the master teachers at the Jacobs School of Music. This makes them aware of the opportunity to perform at Meadowood and to encourage them to send advanced students who are preparing to give a recital or enter an international competition,” reports Felton. She goes on to say that the artists appreciate the chance to experience a live audience, somewhat as a dress rehearsal, and they invariably comment on our appreciative and knowledgeable audience which is so supportive of their efforts.

Nine years ago, Meadowood gave its first \$4,000 donation to the Friends of Music Scholarship Fund for the Guarantor Scholarship. Many residents contribute to or serve on the board of *Friends of Music*, and the board frequently meets at Meadowood. To date, Meadowood has contributed over \$38,000 to this gift club through the IU Foundation, with an annual gift of \$5000. Each year a recognition dinner is held in the main dining room with our *Friends of Music* contributors and board members, followed by a recital by Meadowood’s scholarship recipient.

Meadowood’s two Steinway pianos – the baby grand in the Fireplace Lounge (donated), the grand piano in the Terrace Room (on loan), and the two pianos in the lower level give opportunities for hosting musical events in

different settings. Meadowood also has pianos in the Health Pavilion Lounge and other dining rooms, which are available for student programs as well. Some residents have also hosted student recitals in their homes.

Each month, residents gather in the Fireplace Lounge for a *Sing-a-Long* hosted by Ed Cooper. Resident pianists Olimpia Barbera, Eleanor Byrnes, Ozzie Ragatz, Julie King or Bill Weissell are asked to play. Twenty to forty residents gather to hear and sing many of their favorites. “Many wouldn’t want to miss it” states Ed Cooper. Reminiscing from the past, Olimpia Barbera said, “We played a couple songs we all knew one evening, and I thought, why don’t we do this?” The rest is history.

Background music is currently offered every Wednesday and Thursday evenings by resident pianists. This came about when Bill Weissell started playing for everyone’s enjoyment in the Fireplace Lounge during the social hour prior to dinner. Residents and guests so appreciated the background music that it is now a regularly scheduled event. Currently, Ozzie Ragatz and Olimpia Barbera play.

Residents and guests enjoyed excerpts from the operita, ‘Maria de Buenos Aires.’

At various times throughout the year, Meadowood residents offer piano performances. Ledford Carter, Julie King, Olimpia Barbera, Maxie Schnicke, Vicky Felton, and Eleanor Byrnes have given recitals. They sometimes practice duets on the weekends.

Meadowood Singers started out as a lark. Staff and residents sang four songs in the Christmas program. Today, the singers are comprised of residents who practice each week under the direction of staff member Jill Switzer Wolf. Jill is a part-time music program coordinator in the Health Pavilion and is director of music at St. Paul's Catholic Center. She is accompanied by pianist Tim Reed. Switzer states "the residents bring experience and dedication which makes rehearsals and concerts enjoyable and fun, not only to the singer but to the audience as well. Meadowood Singers produce three yearly performances: a Fall Concert, a Christmas Program and a Spring Concert. Meadowood Singers are: Evonne Bullock, Bob Burton, Ed Cooper, Luise David, Jan Dvorak, Vicky Felton, Mac Fleming, Jack Jones, Bill Piel, Hazel Long, Ellen Rudolf, Delores Shank, Bill Weisell, Millye Yoder, Eleanor Byrnes, Elinor Dejean, Ted Jones, Mildred Cowling, Dave Rogers, Dorothy Nowa, and non-resident Sara Feuerbach.

Another wacky twist to resident programs is the 'Meadowood Follies,' which allows our residents to pull out all their musical talent. This amateur evening is devoted to each performer's presentation. The past programs have been hosted by Rod Ludlow, Ed Cooper and Eleanor Byrnes.

The music committee reported last year that 49 recitals were given with a total attendance of 1,388 residents and guests. Performers come back time and time again and become friends with many of our residents. "These programs

Bill Weisell playing piano for the enjoyment of Meadowood residents.

provide an opportunity to hear some fabulous performances of great music played or sung by the next generation of world-class artists," states Felton.

Music is a source of joy and excitement to many at Meadowood. Whether you consider yourself an amateur or a professional, whether you're interested in jazz, classical, or toe-tappin' pops and Big Band sound, the 'sound of music can be heard at Meadowood throughout the year.

Olimpia Barbera and Luise David celebrate the conclusion of a successful event.
